DOCTORS AI GLOBAL SUMMIT | 15-16 NOVEMBER 2025

WELCOME MESSAGE

Dear Colleagues, Partners, and Trailblazers in Healthcare,

It gives me immense pleasure to welcome you to the DoctorsAI Global Summit 2025, a one-of-a-kind gathering where the frontline of clinical care meets the frontier of artificial intelligence. As the Founder Chair of DoctorsAI and Founder of the Indian College of Artificial Intelligence in Medicine (ICAIM), it is an honour to invite you to this transformative summit that aims to redefine the fabric of modern medicine—rooted in humanism, powered by intelligence.

We are witnessing an inflection point in healthcare. What was once thought of as futuristic—algorithm-assisted decision making, AI-driven diagnostics, and real-time predictive analytics—is today not only feasible but increasingly fundamental. However, no algorithm, however advanced, can substitute for clinical wisdom. The purpose of this summit is not to replace physicians but to reimagine how we can work alongside technology to deliver more precise, efficient, and compassionate care.

The 2024 virtual edition of the summit proved that there is both a hunger and a readiness among medical professionals to embrace AI when it is delivered in a format that is doctor-led, ethically designed, and clinically relevant. Building on that success, the 2025 edition goes further—live, immersive, and deeply practical.

Through this summit, you will gain access to hands-on workshops, real-world demos, cross-sector networking, and CME-accredited AI masterclasses. Whether you are a seasoned clinician, a young researcher, a policymaker, or a HealthTech entrepreneur, there is something of immense value for you here. We are especially proud to feature a call for abstracts, offering a stage to showcase original research and practical innovations, with pathways for peer-reviewed publication and global visibility.

Our vision is simple but powerful: to build a bridge between clinical brilliance and computational intelligence, ensuring that AI in healthcare remains safe, explainable, equitable, and above all—human-centred.

On behalf of our organising committee, faculty, and Doctors AI community, I welcome you to this summit. Let's learn, collaborate, challenge assumptions, and build the intelligent healthcare systems our future generations deserve.

See you in Bengaluru.

Warm regards,

Dr. Amit Kumar Dey
Organizing Chair
Founder Chair, DoctorsAI
Founder, ICAIM – Indian College of
Artificial Intelligence in Medicine (ICAIM)

We are just getting started.
More visionary, key opinion clinicians, and
expert faculty are to be announced shortly!

Doctors AI
ARTIFICIAL INTELLIGENCE FOR DOCTORS

DOCTORS AI GLOBAL SUMMIT | 15-16 NOVEMBER 2025

WHY ATTEND IN 2025?

FOR DOCTORS

- **Hands-on AI Workshops** → build & deploy decision-support apps, automate documentation, analyse clinical datasets.
- **Research-Ready Toolkits** → learn NLP for literature reviews, ML for small-sample studies, reproducible Python notebooks.
- **CME-Accredited Tracks**
- Participation certificate from the **Indian College of Artificial Intelligence in Medicine (ICAIM)**

FOR START-UPS & PHARMA INDUSTRY

- **Clinician-Led Usability Labs** for instant product feedback.
- **AI in Drug Discovery and Clinical Drug Trials:** Exclusive sessions and latest updates
- **Investor Catalyst Arena** → curated pitch slots with VCs & hospital networks.
- **Innovation Expo** → demo spaces plus matchmaking with pilot sites.

FOR RESEARCHERS & POLICYMAKERS

- **Methodology Masterclasses** on validation, bias auditing & regulatory compliance (DPDP / GDPR / FDA SaMD).
- **Roundtables** on reimbursement, data-sharing, and ethical governance.

Doctors AI
ARTIFICIAL INTELLIGENCE FOR DOCTORS

DOCTORS AI GLOBAL SUMMIT | 15-16 NOVEMBER 2025

SUMMIT THEMES

Augmented Clinical Intelligence – bedside to boardroom.

BrainTech & Neurointerfaces – restoring function, enhancing cognition.

Precision Medicine – AI-driven drug discovery, genomics & proteomics.

Digital Therapeutics & Wearables – remote care, CGM, adherence AI.

NLP / LLMs in Healthcare – documentation, chatbots, language equity.

Regulation & Responsible AI – from DPDP to EU-AI-Act.

AI in Medical Sub-Specialty Spotlights

Cardiology, oncology, endocrinology, ophthalmology & more.

Founder-Investor Catalyst – live startup showcase

“Where frontline medical professionals meet cutting-edge intelligence to build tomorrow’s patient-centric care.”

Doctors AI
ARTIFICIAL INTELLIGENCE FOR DOCTORS

DOCTORS AI GLOBAL SUMMIT | 15-16 NOVEMBER 2025

SESSIONS & FORMATS

Keynotes by leaders in medicine, AI, and ethics

Workshops on AI tools for Clinicians: From Bedside to Research

Plenary Sessions: AI in Medical Subspecialties

Live Demos: Explore breakthrough tech and devices in dedicated zones

Breakout Rountables: With Key-opinion leaders on AI in Medicine

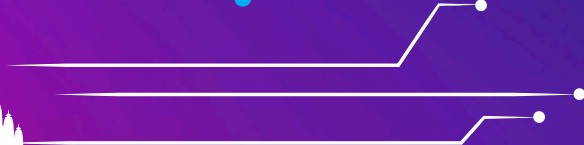

Startup Pitch Decks: See tomorrow's innovations before they launch

Debates & Fireside Chats: Addressing ethical dilemmas, data privacy

Oral and e-poster presentations - original AI research to viewpoints

Networking Zones: Curated discussions with faculty and AI experts

"Where frontline medical professionals meet cutting-edge intelligence to build tomorrow's patient-centric care."

Doctors AI
ARTIFICIAL INTELLIGENCE FOR DOCTORS

DOCTORS AI GLOBAL SUMMIT | 15-16 NOVEMBER 2025

CALL FOR ABSTRACTS

We welcome physicians, allied healthcare professionals, scientists, and researchers to submit

Clinical case studies using AI

AI-based tool development for health

Live Demos: Explore breakthrough tech and devices in dedicated zones

Implementation frameworks, audits, ethics in responsible AI

Original clinical AI research (with or without code)

ABSTRACT SUBMISSION DEADLINES

15 August 2025

Best papers will receive on-stage recognition and publication opportunities.

SPONSORSHIP AT A GLANCE

KNOWLEDGE PARTNER

Get premium visibility, deep engagement, and strategic co-creation privileges.

DIAMOND

₹10,00,000 INR

- ✓ Sponsor 1 key session
- ✓ Premium Innovation Booth
- ✓ High-visibility branding
- ✓ 50 delegate registrations

PLATINUM

₹7,00,000 INR

- ✓ Innovation Booth
- ✓ Major Branding
- ✓ 30 delegate registrations

GOLD

₹5,00,000 INR

- ✓ Innovation Booth
- ✓ Major Branding
- ✓ 20 delegate registrations
